

## Winter/Sprint 2009 Construction Teams

The following are our Winter/Spring '09 Construction Team dates for completing the new mission base and moving in! PLEASE READ CAREFULLY BEFORE BOOKING YOUR TICKETS.

Each team will also participate in a village clinic/outreach while they are with us. This is a great opportunity to involve someone in Paradise Bound and our true passion of souls for Christ. Unbelievers or those struggling in their faith are certainly welcome as our Lord certainly touches hearts when we focus on HIM! Pray about who it is that God would have you invite!

The only cost for your participation is your airfare, which at this time is running between \$354 to \$416 out of Detroit. You can choose to fly from a different airport, just please arrive in and depart from Guatemala at approximately the same suggested times below. We ask that you book and pay for your own ticket (kayak.com is a good source), and then PLEASE send us your itinerary so we know your travel arrangements. If you have difficulty doing this on your own, we can certainly help you obtain your ticket, just let us know via email or by calling 616 688 5000. COPA Airlines is a part of Continental and some of the suggested arrival/departure times are with COPA.

Please stay with the suggested arrival and departure times and dates as multiple trips to and from the airport are difficult to work into the schedule and costly. As long as you are within an hour or so of the suggested arrival and departure times, which airline you choose does not matter. Some teams will overlap and participate in the same clinic/outreach. If tickets become unavailable, at the lower prices, during those arrival and departure times, simply advise us before you book for the next best times.

\*\*\*As some teams do, we are NOT charging anything extra for materials, or even the \$1,250 worth of meds we will use at each clinic, BUT WE DO highly suggest, in fact plead with you, that each team member send out letters to your church, friends and family asking for donations to help cover the cost of materials, meds, etc. A sample letter is available at [www.paradisebound.org](http://www.paradisebound.org) which you can copy and send. Many, many people are eager to support specific projects or work teams, they simply have to know the need, and the need is great. Remember that this is not a fancy, lavish building, this is a very practical tool which God is already using to bring lives unto Himself, eternally! Please allow God to be God by simply sending out this plea to others you know for their financial support of your mission trip. Think for a moment, how often don't we snub God from being God and showing Himself to us in incredible ways, only because we didn't deem something necessary or we are too prideful. Here is the most important part ... Don't send your letters for yourself or for us ... send them on ..."behalf of those who WILL believe in ME!" Christ's own words in John 17:20. Send out your letters and allow yourself to be amazed by our Amazing God!!! As the gifts come in, they can either be sent to your address and then forwarded to us or directly to Paradise Bound, PO Box 156, Hamilton, MI 49419, they should be marked Construction Team Support.

Lastly, we know that times are difficult financially, yet our God is still God and we feel called to complete this base sufficiently to move in by April. Pray whether God is calling you or someone you know to one or more of these teams, and if HE is, know that HE is able to complete what HE has started in you! Many times when our faith grows the most it is because we could not have accomplished something ourselves and we actually had to rely on God. Rely on HIM! HE IS GOD!
